# TTV5565

## The TTV5565 is the next generation in auto-scrubbers.

The new Twintec Vario 5565 is a careful blend of proven features and powerful new technology.

With an adjustable brush deck, the TwinTec Vario is 2 machines in one. The brush deck adjusts from 22" - 26".

Fully adjustable water flow rate from 0.25 gpm to 1.0 gpm

Patented pop-on / pop-off brushes and pad drivers for easy brush changes.

Adjustable brush pressure (up to 120 lbs.) and speed (up to 4.3 mph)

4 Gel batteries are standard

Low voltage shut off protects batteries from being over discharged

Onboard chemical dispensing system allows for 32:1, 64:1, 96:1, 128:1 chemical metering.

Tear away squeegee

Quick release squeegee blades for easy cleaning

### Specifications

[1]

Model Number:	TTV5565
Capacité Du Réservoir (Récupération):	22.5 GAL
Capacité Du Réservoir (Solution):	22.5 GAL
Puissance:	600W
Puissance Du Moteur:	0.75
Pompe:	DIAPHRAGM
Largeur De Travail:	22" - 26"
Poids:	632 LBS

Longueur:	55"
Largeur:	23"
Hauteur:	45"
Battery Type:	4 X 12V (GEL)
Battery AH Rating:	100AH
Charger:	ONBOARD
Traction Motor:	24V - 600W
Traction Speed:	0.3 - 4.3 MPH
Run Time:	3.5 HRS
Chemical Capacity:	1 GAL.
Chemical Mixture Rates:	32:1 - 64:1 - 96:1 - 128:1
Water Flow Rate:	1.0 / 0.8 / 0.5 / 0.25 GPM
Maximum Gradient:	11 DEGREES
Pression De La Brosse:	120 LBS
Largeur De La Brosse:	2 X 11" / 2 X 13"
RPM De La Brosse:	200 RPM
Pad Size:	2 X 11" / 2 X 13"
Brosse À Moteur:	2 X 24V - 400W
